A Celebration of the Life of Jackie Denise Klinker

Jackie Denise Klinker had an infectious smile. She enjoyed cooking, baking, and crocheting. She was an entrepreneur and dreamer, a Vegas card dealer, a Mexican restaurant cook and an accountant. She could change out a clutch in a car and play Moonlight Sonata on the piano. She was a lady with luck at the poker table. She loved to travel. She was sharp, quick witted and stubborn. She was kind, generous and a loving Mother, Grandmother, Daughter and Sister.

She is survived by her 3 children, Thomas L. Bronston, Christine Denise Bronston, Kaundra Madge and her sister, Sonja Capucille.

We will miss her dearly and trust that she is home now with God and that her suffering is over. We are thankful for all the love and support provided by our family and friends.

Blessed are they that mourn: for they shall be comforted. Blessed are the poor in spirit: for theirs is the kingdom of heaven. Blessed are the meek: for they shall inherit the earth. Blessed are they which do hunger and thirst after righteousness: for they shall be filled. Blessed are the merciful: for they shall obtain mercy. Blessed are the pure in heart: for they shall see God. Blessed are the peacemakers: for they shall be called the children of God. ~JESUS in Matthew 5:3-9.

DARRELL GENE CAIN

BY CURTIS TUCKER

Celebration of life services for Darrell Gene Cain, 64, Ponca City resident, will be held Sunday, July 31, 2016 at 2:00 p.m. in the Marland Community Center with Pastor Chris Short officiating. Committal prayers and interment will follow in I.O.O.F. Cemetery under the kind guidance of the Amy Stittsworth Funeral Service and Cremation Directors.

Darrell Cain, known respectfully as Brother Cain, was born on January 3, 1952 in Ponca City, Oklahoma, the son of Alfred and Lola Butterfield Cain. He passed away peacefully on July 25, 2016 at his residence. Darrell was raised and educated in Ponca City, graduating from Ponca City High School with the class of 1970. As a young man, Darrell played basketball, football, and bowling, where he made many lifetime friends. Being part river rat, Darrell and other 'rowdy rowers' participated in the Ponca City Raft Races for years. Darrell and his teammates designed and built their own rafts. His teams always had an entertaining time! (Clark Kent was rumored to be with them on one ride.) Costume designing was another one of Darrell's talents. His imagination and ingenuity (sic) inspired many interesting Halloween costumes. He worked in the oilfield services, beginning at Cain's Oilfield Services, the business his father started. Brother Cain worked in and around the oilfield business his whole life. He was a pipefitter, and, later worked for the Labor's Union until retirement in 2007. Darrell married Kathy in Newkirk, Oklahoma on March 28, 2003. Kathy and Darrell were best friends and shared a wonderful life together. He loved to be outdoors - camping, cooking, fishing, floating down the Salt Fork River. Every Sunday, you could find him with friends and family playing horseshoes. And, How Bout Them Cowboys! Darrell had a love for Oklahoma State University. Rarely would you see him out of OSU orange. Darrell and Kathy had season football tickets and loved tailgating. He loved his grandbabies, spending as much time with them as possible. Darrell was devoted to his family and his friends. Darrell lived life to the fullest-fun, friends, and family. Sometimes, it was hard to distinguish the friends from the family, because, in his heart, they were one in the same. All of us that were touched by his life have been blessed. He

is loved and will be missed. Darrell is survived by his wife, Kathy Cain of the residence; his brother, David Cain of Ponca City; his children, Dusty Patrick of Westwood, Kansas, Jennie Boggs and husband Dan of Waipahu, HI, Sarah Hollingsworth and husband Dustin of Ponca City, Becky Cain of Ponca City, Aaron Cain of Ponca City. Six grandchildren, Mikhail and Riley Hollingsworth, Emma Lawson, Kensley Cain, Tristan and Adeline Cain, all of Ponca City. Darrell was preceded in passing by his parents, Alfred and Lola Cain; grandparents, Bill and Mary Cain, his uncle Jake Butterfield, and his aunt Clara Jane Case. The family has selected memorial donations be made payable to Hospice of North Central Oklahoma with the Stittsworth's coordinating. Remembrances may be shared online at www.stittsworthfuneralservices.com.

Visalia - Ted (Theodore Roosevelt) Carney joined his mother Peggy, father Ted and his sisters Pam and Sharon in heaven on July 3, 2018. Ted was born December 5, 1951 in McAllen, Texas. Ted leaves behind his wife Ramona Carney, two step sons Ryan Brown Tulare, Michael Brown Visalia, four grandchildren, two brothers William (Bill) Carney Prescott Valley Arizona, Matt Carney Diamond Springs and many close friends.

Ted spent many of his childhood years growing up in Ponca City, Oklahoma where he was known to pester his four younger siblings to no end. Ted's father was a great salesman, which rubbed off on Ted. Ted's mother always had a garden growing in the yard, canning and freezing whatever it produced. Ted developed a passion for gardening, and had a garden at home and at work for his fellow employees to enjoy.

Ted graduated from Ponca City High school in 1970. Ted was avid in football, playing defense throughout high school. Ted continued to play football at college (Northeastern Oklahoma) where he received a football scholarship. Ted graduated from the University of Central Arkansas on August 6, 1976 with a Bachelor' degree. In 1980 Ted moved to Visalia working various jobs turning his love for sports and competition to golf. In 1983 Ted was honored to play with Gary Player in a ProAm golf tournament. Ted holds several golf course records and while trying out for the Phoenix Open he missed the cut by one stroke. Ted went on to play in other tournaments including the US Open. That was the last time Ted played golf returning home to work and never looked back.

Ted was always looking for a better way to do business and did so in 2010 taking the packaging industry to a new level world wide with his invention of the Rapid Bander stretch film by putting together a wide web stretch roll with bands (two rolls on the same carriage) to get a roping/banding effect that enhanced the strength of the film. Prior to that Ted invented the Rapid Roper by splitting stretch film on the same core to be used as a double roping device. Ted made it possible for his customers to use less stretch film to secure their

product for a sturdier pallet.

Ted will be remembered as a motivator, innovator, visionary and friend to his customers, friends and co-workers. Ted's family will remember him as a hard worker and good man with some feistiness, Into GOD's hands do we send his spirit.

26-Year Fight for Survival Ends for Ponca City's Davis

Published: Sun, August 28, 1994 12:00 AM

The Oklahoman

PONCA CITY - Mike Davis never escaped from the injuries he received almost 30 years ago.

The former Ponca City High School wrestler's fight for survival ended Aug. 19, more than 26 1/2 years after a traffic accident that killed his popular coach and seriously injured two of his teammates.

Davis was 42.

On Jan. 11, 1968, members of the Ponca City wrestling team were on their way to the Geary Tournament.

As the three-car caravan traveled west on U.S. 270 between Calumet and Geary, a tractor-trailer rig loaded with 70,000 pounds of grain jackknifed and hit the back car.

The car's driver, head coach Ted Pierce, died instantly. Davis and teammates Steve Ellenwood and Terry Cook were seriously injured.

Davis, a sophomore who competed at 115 pounds, was in the back driver's seat and received severe head injuries and a broken left elbow. He regained consciousness three months later, but never fully regained use of his motor skills.

"Mike was in the hospital for three years, in nursing homes for 10 years and in a facility next to Mom and Dad's house the last 13 years," said Linda Clark, Mike's sister. "He was a bed patient for 26 years, but was never considered a burden - he was part of our family, and it was a joy to take care of him.

"Because of the constant hands-on caring, it's going to be difficult for Mom and Dad to adjust to his loss. But I think the way to deal with death is look at the positive side - he's not suffering anymore and can do whatever

<http://pohi70.com/fallen-wildcats/>

he wants to do now.

"And the community has been most generous," Linda added. "We got notes and prayers and financial donations, and they really supported Mike and the people who dedicated their lives to Mike's care. " Pierce, 29, was a star at Backwell High School and Oklahoma State University. He had taken over the Ponca City program in 1963 and had led the team to a second-place finish in the state tournament, earning him Wrestling Coach of the Year honors in 1965.

The future looked bright. Then tragedy stunned the Kay County city of about 26,000.

Cook, then a junior and the team's heavyweight, was sitting in the back passenger seat and suffered a cracked pelvis and minor cuts. He was released from the Ponca City hospital two weeks later.

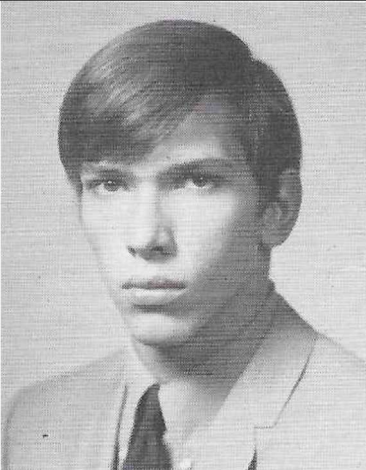

Cook now is a deputy sheriff in Hominy.

Ellenwood, a junior who wrestled at 123 pounds, was in the front passenger seat and suffered a fractured skull, broken arms and numerous cuts. He underwent surgery at St. Anthony's Hospital in Oklahoma City and was released two weeks later.

He now is a teacher at Ponca City's Pioneer Area Vo-Tech Center.
